

Our Mission

Modeling the love of God by connecting local churches with public schools to serve their needs.

Our Vision

We aspire to build connections and identify needs in our local public schools. Partnering with local churches, who are also seeking opportunities to connect and serve, we seek to proclaim the faithfulness of Jesus Christ in providing these needs. Our desire is to be the bridge that connects the needs of schools, and the resources of churches. Together, we can positively impact our community for God's glory!

What You Can Do
